

*El Pisco Peruano es el espiritu del Vino, por que tiene
la ternura de un Niño, la imaginacion de una Mujer
y la fortaleza de un Hombre...*

**PISCO IS A CLEAR PERUVIAN BRANDY
DISTILLED FROM GRAPES.**

*Señor's Pisco comes from the largest Pisco
producing region in Peru, located just South of
Lima in the Ica Valley. This land is home to a unique
microclimate that allows grapes to thrive due to
perfect conditions; year-round sunshine & heat
and sweeping winds from the Pacific Ocean that
chill the earth at night. A serious amount of work
goes into growing these grapes that are fed with
melted glacial waters from the Andes.*

*The origins of Pisco date back to 1613 to when
Spanish settlers brought grape vines to Peru.
Peruvian Pisco has come a long way since 1613, and
is highly regulated to ensure that the final product
represents the characters of the grape and terroir.
Hence, there is only 1 production season that follows
the harvest. Peruvian law does not allow water to
correct the final product so all Peruvian Piscos are
between 39-43% ABV and must be clear in colour.*

**OUR COCKTAIL MENU HAS BEEN
EXPERTLY DESIGNED TO SHOWCASE
THIS DIVERSE AND VERSATILE SPIRIT.**
